FOREWORD

To leave you with an idea of the activities of our school is the aim of the Lore Staff in producing this book. The students of Lewistown High School, as real war workers on the home front, are zealously buying and selling war stamps, are willingly participating in all scrap drives, and are cheerfully accepting the shortened lunch period, in an effort to help bring this war to a victorious close. They have proudly given many boys to Uncle Sam's forces and are eagerly getting more ready for the task which lies ahead.

May the contents of this book give those students renewed strength and courage as they step forward to serve their country.

DEDICATION

To Mr. Jack Swetek, for his genuine interest in youth, for his spirit and cooperation, for his service to our school and our country, and for just being himself, we, the Senior class, gratefully dedicate this 1944 Lore.

Mr. Swetek came to us from West Newton, Pa. He graduated from Avalon High School and Slippery Rock State Teachers' College where he earned the degree of Bachelor of Science. While in high school he played football, and in college he acted as trainer of his team. In 1934, Mr. Swetek came to Lewistown High where he taught Health and Physical Education. Here, too, he acted as trainer of athletic teams, until October 28, 1943. At this time he left Lewistown to enter the service of his country. He is now Jack E. Swetek, Pharmacist's Mate 3rd class, United States Navy. We are sure that he will do his new job just as faithfully as his old and that he will return again to us in the near future.

"Doc", as Mr. Swetek is known to all, has taught in L. H. S. for the past ten years, during which time he has become practically an "institution". The nickname, "Doc", came from his first aid treatments of all ailments in athletics. In his patchwork coat he would dash upon the field or court to administer first aid to his boys. No football game would be complete without one such trip. He has been a member of the "old school" which believed in the adage, "Spare the Rod and Spoil the Child." Whenever his pupils became obstreperous, he would use his "Board of Education," to pacify them.

As a teacher of Physical Education or trainer for athletic teams, "Doc" was strict and merciless; but all who leave his classes agree that his corrective exercises have helped them. In all kinds of weather, boys could be seen traveling the long journey around the building "on the double" under his watchful eye.

With an excellent sense of humor and a friendliness which included all, "Doc" has won the admiration of everyone.

In local affairs "Doc" was also prominent, finding time from his school work to serve here also. As civilian volunteer, he had charge of the night shift of the Aircraft Warning Service, and taught First Aid in the local Civilian Defense.

Now, however, "Doc" is serving in an even greater capacity—a seaman in the Navy. We all miss him and join together in wishing him great success and all the luck in the world.

DR. ERDLY

In this period of emergency when millions of men are in armed conflict, and other millions prepare the arms, a renewed emphasis is placed upon education. An ever greater demand is made for better educated citizens.

Time decrees that you will be making your greatest contribution to post-war developments. The preparation for your responsibilities must be double. The desired success after school will rest on how ready you are to make an honest living, and whether you know how to live. The lack of either will manifest itself in the things you do and the way you act as citizens.

Give yourselves fully to patriotic American privilege, faithful respect for God, and happy home contentment. May all of you, Class of '44, share abundantly in success.

We, the Seniors of Lewistown High School, wish to express our gratitude and sincere thanks to our faculty. We thank them for the excellent leadership and helpful guidance they have shown us during our days in old L. H. S., for carrying on their good work under the trying conditions of today, and most of all for preparing us so that we will be better fitted for the new world into which we will soon be entering. In spite of the rapidly changing times and present world situation, we feel that our faculty has done an exceptional job in keeping up with and putting into practice the more modern means of instruction.

Only now as we are about to graduate and as we look back over the past years, do we fully appreciate how much our faculty has done for us.

To those of our faculty who have left L. H. S. to go to the defense of our country, we extend our warmest thanks. We deeply regret that we could not have them with us during this our last year, but we feel sure that they will return to take up their work where they left off.

We hope that the faculty of old L. H. S. will continue its good work so that the future graduating classes may have the same oportunities and privileges that we have enjoyed.

CLASS

September 7, 1941, we, the class of "44", hopefully entered upon our high school career. We elected the following class officers: Persident, George Davidson; Vice President, Peggy Davis; Secretary, Shirley Yarnell; Treasurer, Kenneth Stewart. Our class advisors were Miss Park, Mr. Smith, and Mr. Snyder. We immediately began planning the big event of our Sophomore year—the Sophomore class party, which was quite a success. Throughout the year members of our class participated in the various sports and clubs of the school.

September, 1942, we reassembled to begin the second epoch of our high school career. Then well acquainted after a year in the Senior department, we lost no time in reorganizing our class. The following class officers were elected: President, Robert Watson; Vice President, Peggy Davis; Secretary, Shirley Yarnell; Treasurer, George Davidson. Early in the year our president left us to join the Coast Guard, and our vice president assumed his duties. We selected navy blue and white for our class colors. A class meeting was held, and we began looking forward to receiving class rings, hats, and pennants, all of which were soon received and displayed about the

campus. Everyone worked hard preparing for the climax of our Junior year, the Junior prom. We all felt our efforts were well rewarded as we entered the beautifully decorated gym. As a class, we were very active in the affairs of the community. Our class set the record for many salvage collections and also for the selling of war stamps at school. We resolved to continue these records.

On September 7, 1943, we began the last epoch of our high school career. The following class officers were elected: President, Richard Reiser; Vice President, Peggy Davis; Secretary, Joyce Wertz; Treasurer, Kenneth Barber. Mr. Hufford took the place of our class advisor, Mr. Snyder, who left us to join the Navy. We now began looking forward to our privileges as Seniors. We elected our Lore Staff, which began functioning immediately. We produced our class play, "Kathleen", which was quite a success. Then came our big events—Senior Day, the Prom, Commencement, and the Senior Dinner Dance. The memories of these great days will never be forgotten, and now it is with a feeling of regret, but also great pride, that we leave old L. H. S.

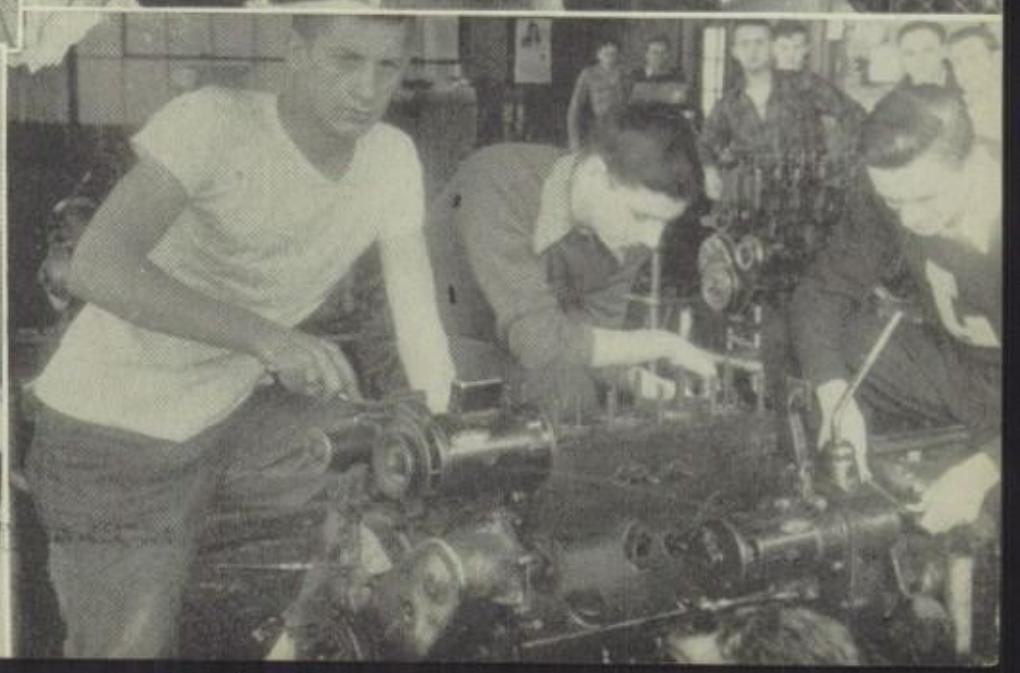
CLASSMEN



CLASS OF '45

We, the future Seniors of 1945, first entered the Freshman class in 1942, ready and eager to start the four years with a bang. We elected our officers as follows: President, Jay Shenk; Vice President, Betty Lou Ross; Treasurer, Harry Stamey; and Secretary, Lois Boring. The most important event this year was our operetta: "The Beaver Trail".

Still a little uneasy, we entered the portals of the Senior building and immediately elected our officers: President, Jay Shenk; Vice President, Jeanne Billman; Treasurer, Robert Steltzer; and Secretary, Barbara Jo Heck. The big event of this year was the success of our "Class Party" held in the gymnasium.

In our junior year we once more chose our leaders: Acting President, Jeanne Billlman; Treasurer, Jay Shenk; and Secretary, Delores Crago. Early in November we ordered class rings and pins, followed by hats, emblems, and pennants of green and white. Of course, the big event of this year was the Junior Prom. Everyone was busy with plans for this gala evening. We had promised the Seniors the biggest and best prom ever held in Lewistown, and we sincerely hope that our promise was fulfilled.

CLASS OF '46

As seventh-graders, we, the class of '46, started out 205 strong, looking forward to the coming years in Junior High.

In seventh grade the idea of learning schedules and of getting acquainted with new teachers and students seemed very mystifying, but after a few weeks of interesting experiences, we had no trouble in finding our way around. Then we were officially considered members of Junior High.

The following year as eight graders, we were a year older and more sure of ourselves. The main event of the year was the election of class officers who were as follows: President, Neil Seibert; Vice President, Delores Arnold; Secretary, Isabel Clark; Treasurer, Donald Amig.

At last our long awaited time arrived, bringing with it the realization of our hopes to be upperclassmen. Again, we selected officers who were: President, Jack Miller; Vice President, Geneva Gross; Secretary, Zola Robinson; Treasurer, Marvin Peters. We were no longer considered "little", but we were looked up to.

After much consideration "The Outlaw King" was selected as our operetta, which proved to be a big success.

Entering Senior High as Sophomores, we again had to adapt ourselves to our new surroundings. Our class was very active, participating in many of the extra-curricular activities. The main event of our Sophomore year was the class party. At the close of the year we were somewhat adapted to our new "life", and we were eagerly looking forward to our Junior year.

"Kathleen" Selected As Senior Class Play

To Be Staged March 15, 16 (Under Direction of Mr. Paul Haagen of The Rogers Production Company; Tryouts Planned for February 23)

The presentation of "Kathleen," the Senior Class play, will be on March 15 and 16. The cast for the play has not yet been chosen as the director, Mr. Paul Haagen, will not be here until February 23 to have tryouts. As soon as the cast has been selected practice will start.

Mr. Haagen, the director of the class of '43's play "Collegiana," has again been signed up for this year. He did a very good work last year, and with "Kathleen" an "A-1" play and Mr. Haagen an "A-1" director, the Seniors are quite confident of a big success with their class play.

MAROON AND STEEL

The Maroon and Steel this year has published many outstanding issues. Students and parents have found the school paper interesting and enjoyable. The staff has cooperated with one another, and with the help of the advisors, Miss Esther Cressman, Mr. Luther Scott, and Mr. Earl McMillen, has had a very successful school paper.

To all alumni, who are in the Army, Navy, and Marines, the school has sent, every two weeks, a copy of the Maroon and Steel. Letters from these boys show their appreciation and gratefulness.

When the Seniors leave this year, they will carry with them the many comical and serious experiences connected with producing this paper.

Yes, the Maroon and Steel will linger long in the hearts of the class of "44".

NATIONAL

FORENSIC LEAGUE

Today, in a nation of free people at war, from the President of the United States down to the high school students, the value of freedom of speech is being recognized as never before. Consequently, the importance of training which produces intelligible, effective, fearless speakers is conceded in civilian life and in the armed forces.

Moreover, as we look ahead to the peace which will follow this war, we see the value speech training will have in gaining and maintaining this peace. Free men and women must be able to express themselves adequately if they are to gain the most from the freedom they have won.

Therefore, we are proud that we have in our school a chapter of the National Forensic League, a national speech organization which encourages free thinking and free speech among a free people. Through the work that this organization is doing, students of Lewistown High School are helping in the war effort and are preparing themselves to take an active place in a free world—the kind of world for which we are fighting.

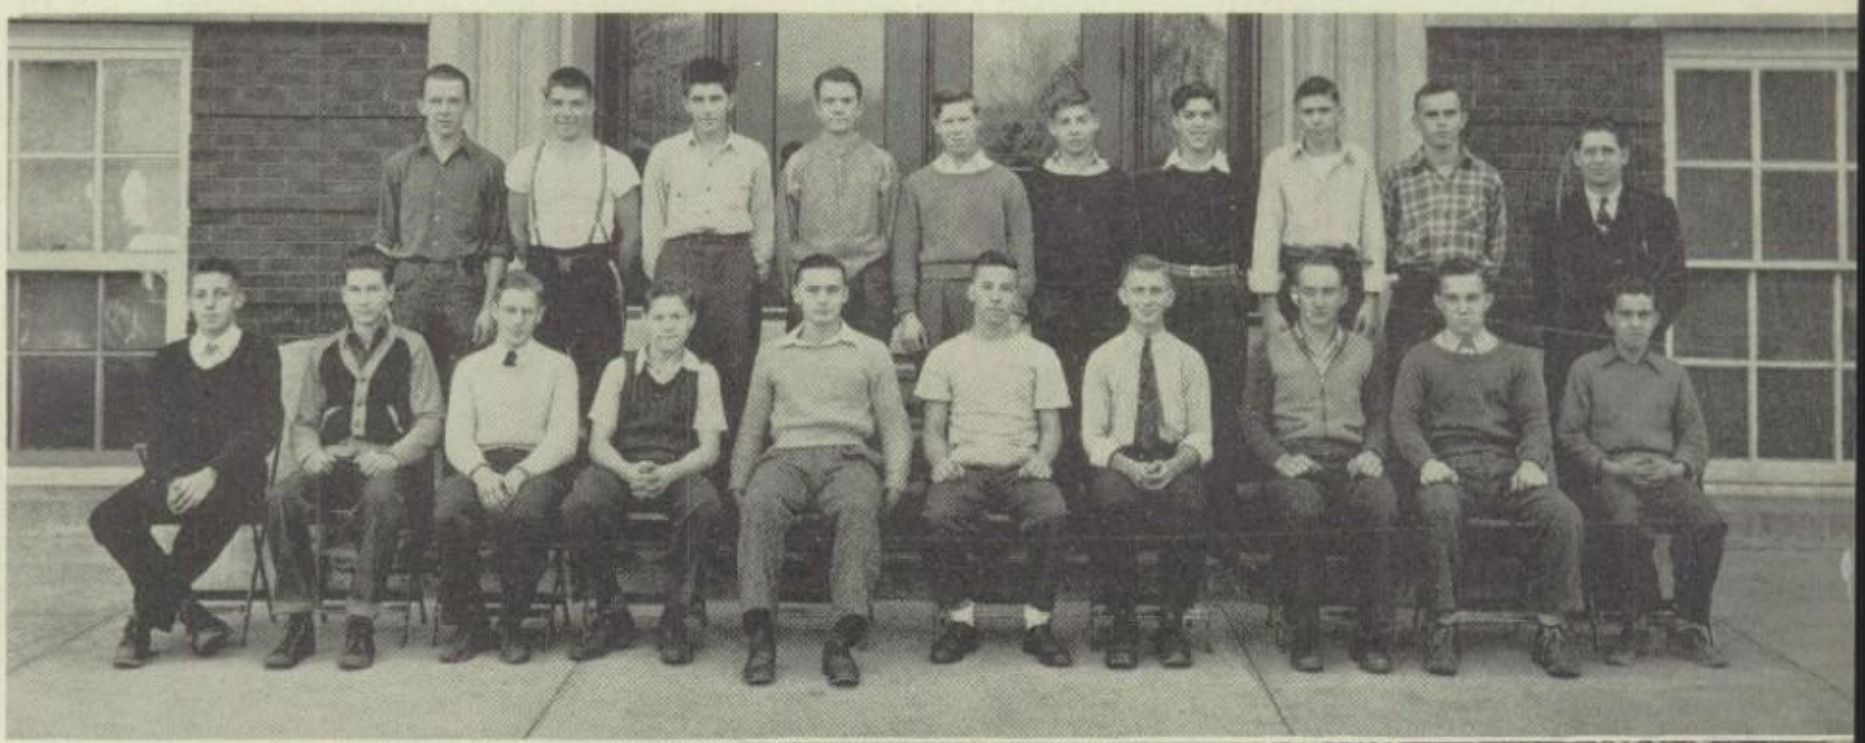
BANKERS' HOURS

FUTURE FARMERS OF AMERICA



The Agricultural boys have been busy the past year working their projects. These projects have been successful, and the scope has been extended. During the school year the boys husked corn, picked stringbeans, sold many garden seeds, bought many war stamps, and had successful F. F. A. parties and meetings. They also went on valuable tours and field trips. All these activities tend to lead toward a united war effort and an industrious 1943-44.

Several of the Agricultural boys have given up their Agricultural aims and have entered the armed forces until after the war. In all the activities the boys gave their utmost thought and care toward the "Fight for Freedom."

GLEE

GIRLS' GLEE CLUB

A few weeks after the Class of "44" entered Senior High the Girls' Glee Club was organized. There were a lot of girls who participated in this club. During the Sophomore year, the club was under the direction of Mr. Smiley until he went to serve his country. Then Mr. Koch took charge of the girls.

In the Junior and Senior years, the club was directed by Miss Wentz. The girls were requested to sing in assembly several times which they did very successfully. The club sang the different songs of the forces of the United States to keep up the "morale".

I know that this weekly meeting singing together will live in our memories forever.

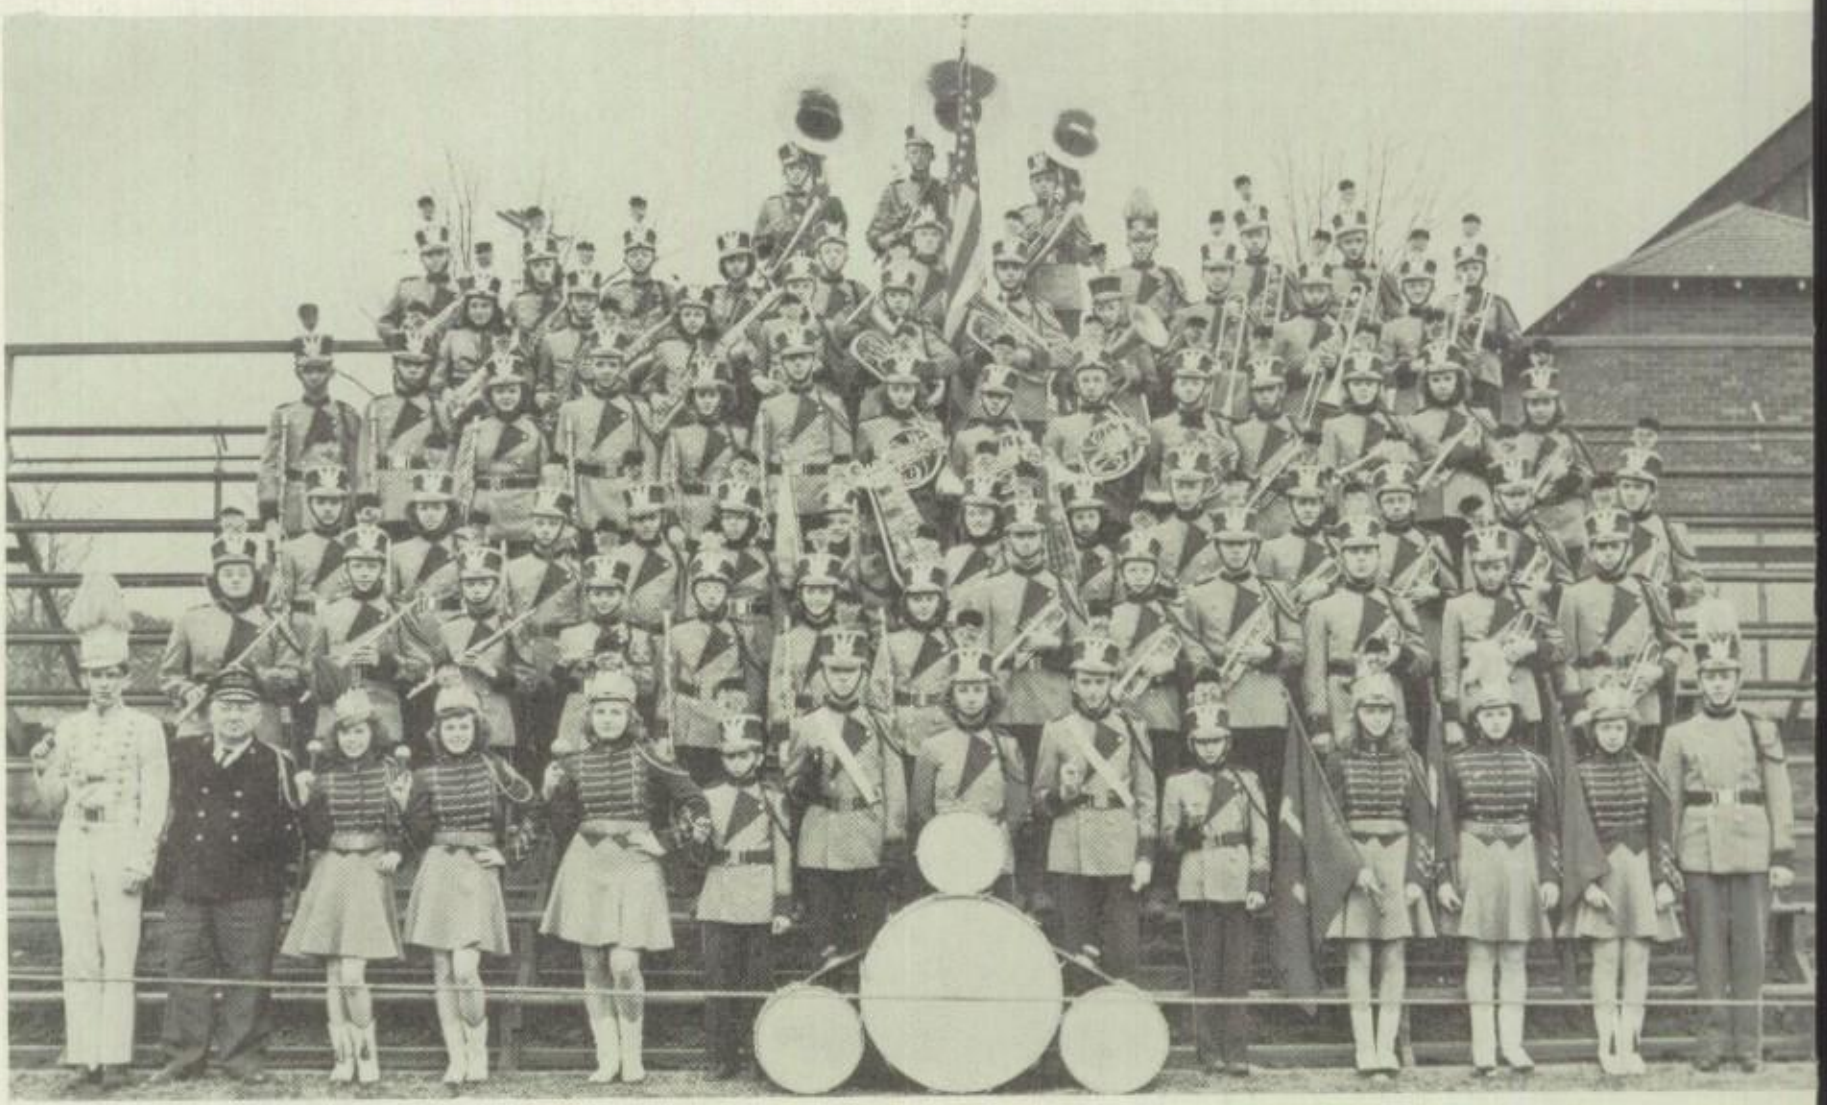
CLUBS

BOYS' GLEE CLUB

The Boys' Glee Club, composed of Sophomores, Juniors, and Seniors, is serving its country and its school in various ways. Under the able supervision of Miss Mildred Wentz, the club has taken part in many assembly programs, it has appeared before many of the social organizations of town, and it has sung over W.M.R.F. Because of the valuable instruction received in this organization during their time spent in high school, many of the former members of the club are now singing in the Glee Clubs of the various camps. As the members sing the military songs, which are the favorites of all the boys, they remind these former members that Lewistown High School is doing its part by serving on the home front.

Charles Huey

BAND



The Lewistown High School Band, under the direction of Mr. Palmer Mitchell, assistant Mr. Ernest Koch and student leader Thomas Scott, has been very active this year in serving on the home front. It has presented numerous concerts and has accompanied the boys who were leaving for the armed forces to the station. There the band played a half-hour concert as a send-off.

The band has boosted war stamp and bond sales by presenting a concert for that purpose. It has taken an active part in the football games. In all of these activities, the members have given wholeheartedly of their time and effort in order to present these programs, and they hope that in this way they, too, have done their part.

The Music War Council of America has awarded the band a special citation for their excellent work in promoting the war effort.

Frosta Mary Arseniu

ORCHESTRA

The Senior Department Orchestra, under the leadership of Professor Palmer Mitchell, "Prof" as he is better known, has served our school successfully this year. First in importance is its faithfulness to our assembly programs. It has contributed much to make these programs a success. Next, it has taken an active part in school activities, such as plays, operettas, and radio programs.

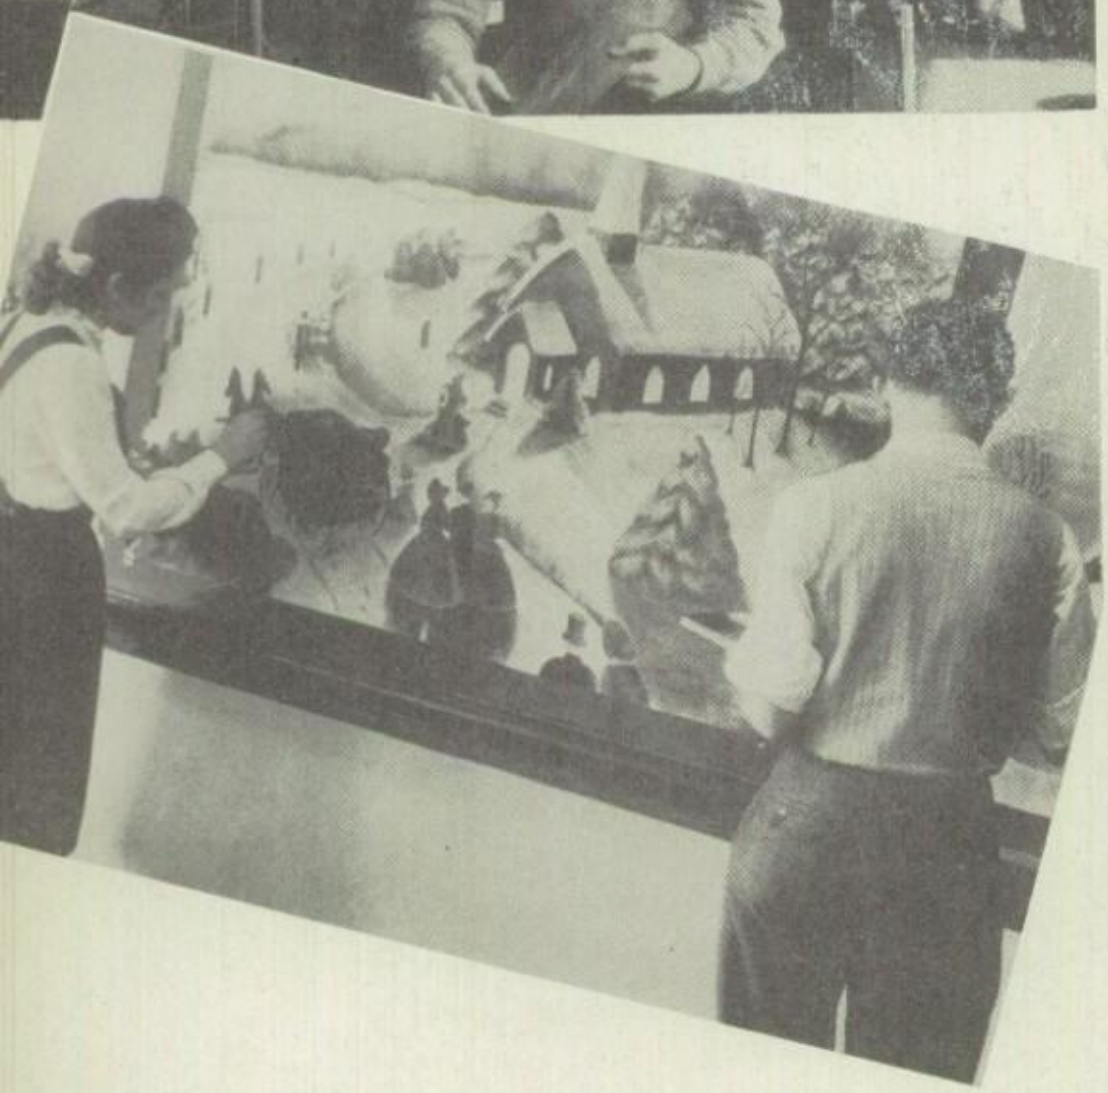
Many individual groups of the orchestra have played in assemblies. These groups consisted of a brass choir, a saxophone sextet, a clarinet choir, and a mixed group from the different sections of the orchestra.

Frosta Arseniu, the student director, has done a very fine job of filling in when Professor Mitchell could not be present.

This year, as every year, there are a large number of seniors leaving the orchestra. If this organization in the future years does as well as it did this year, Lewistown High School will always have a magnificent orchestra.

Bruce Wagner

The Arts



The Art Department, under the supervision of Miss Sara Ann Bruner, has participated in numerous activities this year. In a local, state, and national poster contest, sponsored by the United Commercial Travelers, a great number of members from the Art Department participated. In the state-wide contest, two Lewistown seniors won second and third prizes, and in the national contest one of our seniors won second prize.

During the Christmas season, we were pleasantly surprised by the festive appearance of our school, accomplished by the efforts of our faculty members. Two seniors also painted a frieze portraying an old-fashioned Christmas scene. This frieze was banked on either side by lighted trees and surrounded by festoons of evergreens.

Each year the department presents an assembly program. This year it illustrated how artists are serving America in the war effort.

We should all realize the importance of our Art Department, and the great contribution it is giving to the school and community.

OPERETTA

DANIEL BOONE

In every school term there is one outstanding event, and for the freshman class it is the operetta. This year's production was "Daniel Boone," written by Geoffrey F. Morgan and Samuel Richard Gaines. Its clever script and catchy melodies made it a memorable evening for the many patrons who attended.

The success of the show is attributed to the fine spirit of co-operation which existed between the directors and the cast.

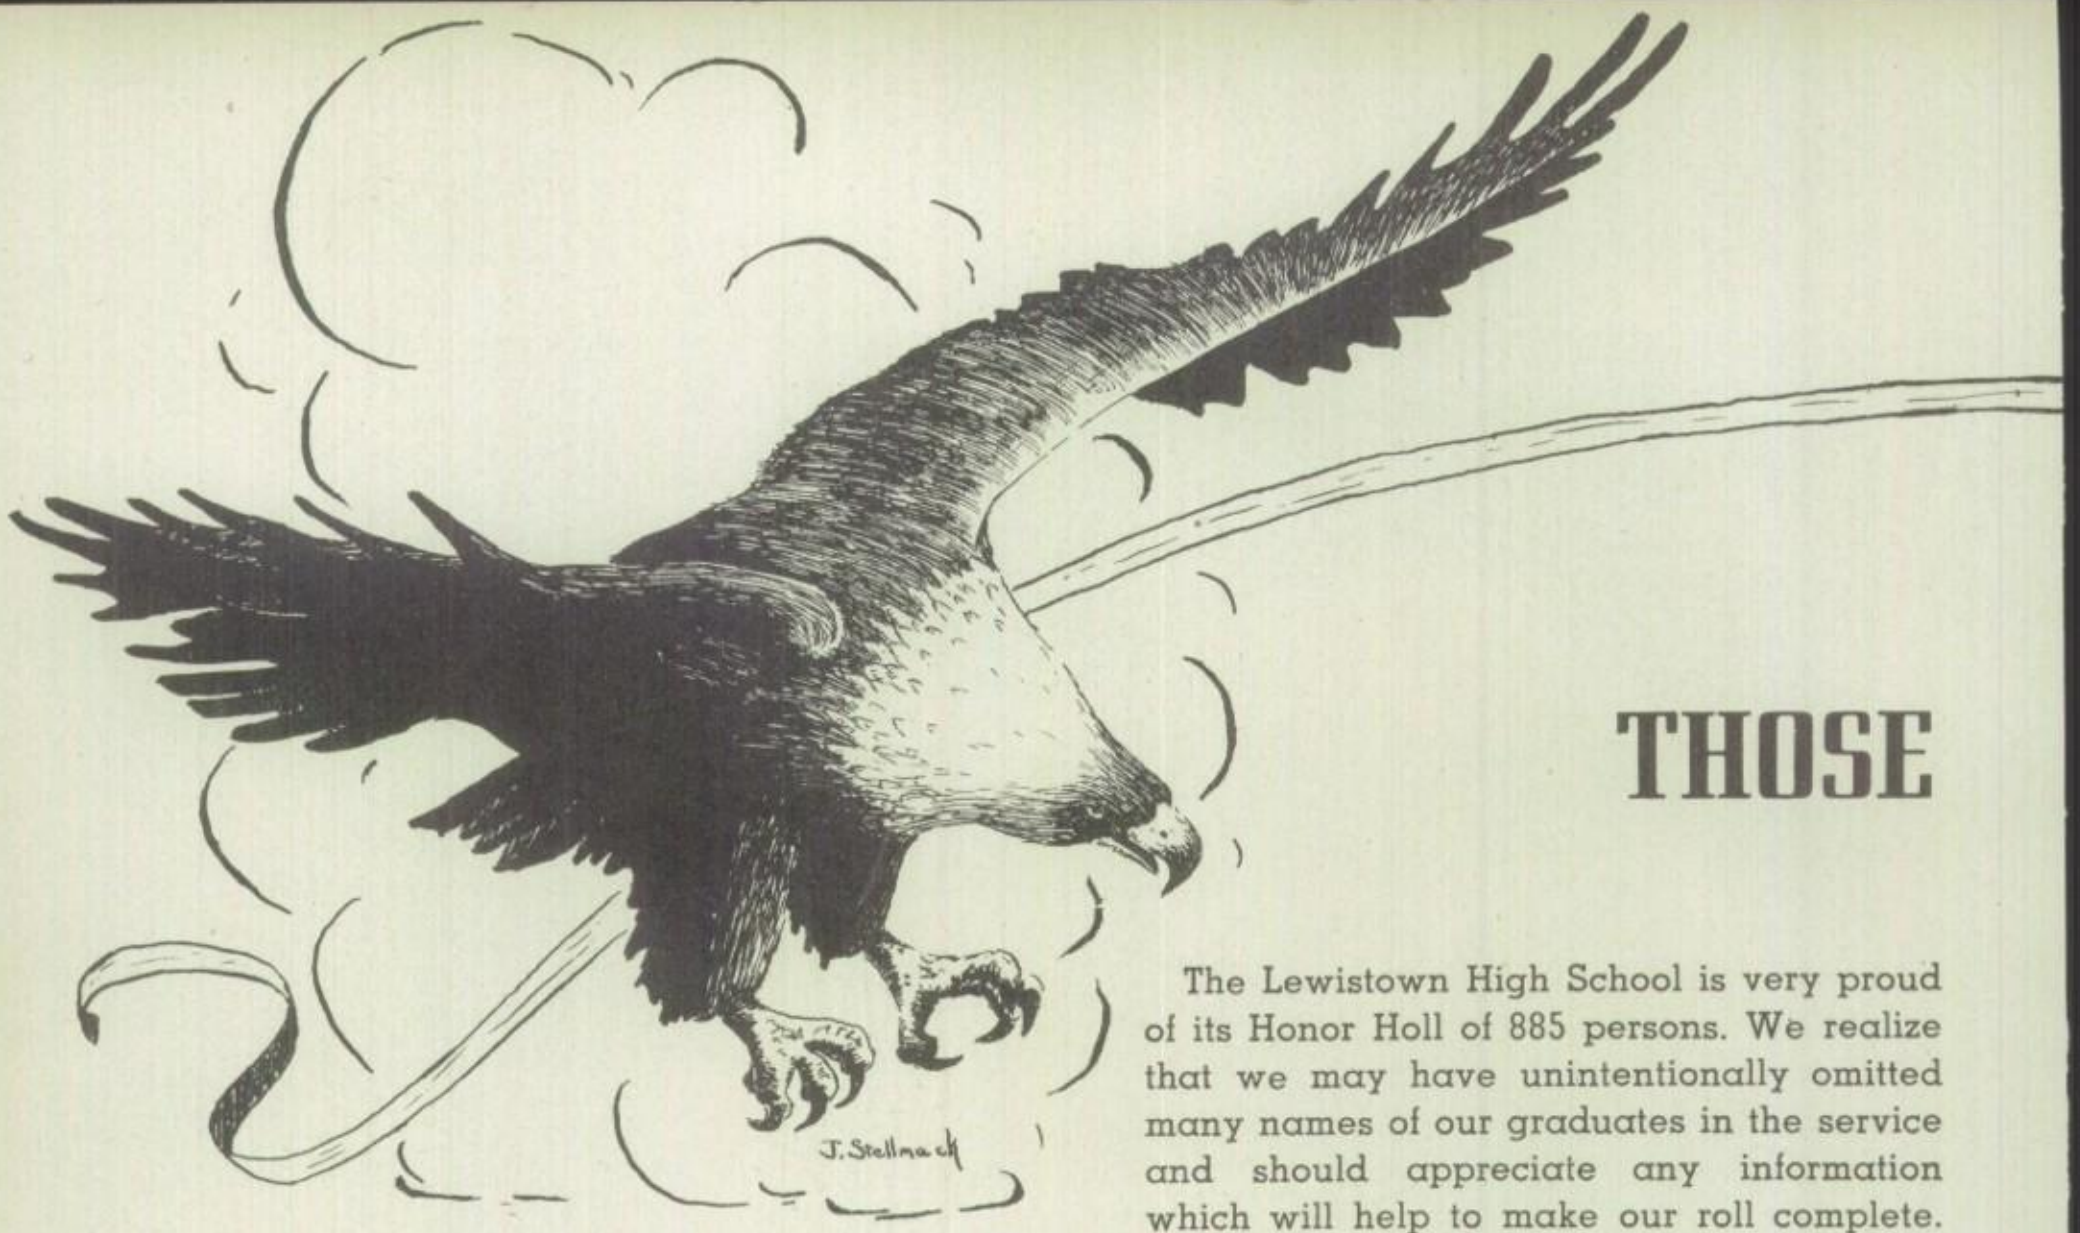
The dramatics were capably handled by Mrs. John S. Neal, Jr., and the music was directed by Mrs. John Hartzler, assisted by Mr. Ernest Koch, who led the orchestra; and Jean Young, who served as pianist. The dances were artistically staged under the careful supervision of Miss Charlotte Walker, while Mr. Harold B. Kilheffer was in charge of the scenery.

The plot was laid in the stockade at Boonesborough, Kentucky, in the year 1776.

Daniel Boone (Jay Riden, Jr.) and Richard Callaway (George Saylor) succeeded in making peace with Cornstalk (John Yocum) and his braves. The Indian chief volunteered to go as a hostage to Mount Pleasant with Flanders (James Lynch). Several pioneers, seeking revenge, killed Cornstalk, and the Indians took to the warpath. Daniel's brother, Squire Boone (Paul Heckert), brought news from Philadelphia of the Declaration of Independence. In the meantime, the girls, Betsy (Jeanne Pearson), Jemina (Audrey Ganoe), and Frances (Phyllis Shumaker), decided to go for a boat-ride on the river near the stockade. They were captured and held prisoners by the Indians. After much anxiety on the part of the mothers, Mrs. Boone (Betty Jane Dilling) and Mrs. Callaway (Margie Graham), the girls were rescued by their lovers, Samuel Henderson (Lawrence Bunker), Flanders Callaway (James Lynch), and John Holder (John Detwyler). All ended well when Ezekiel Pogue (Dean Clark) persuaded Tabitha McSplinster (Betty Herbster) to become his wife, theirs making the fourth couple.

The leads were ably supported by the choruses, who appeared as pioneer women, settlers, and Indians. Much credit is also due to Barbara Bradley, who so competently filled the position of prompter.

"Daniel Boone" will surely rank high among the annual freshman productions.



THOSE

The Lewistown High School is very proud of its Honor Holl of 885 persons. We realize that we may have unintentionally omitted many names of our graduates in the service and should appreciate any information which will help to make our roll complete.

KATHLEEN

The cast for the senior class play, "Kathleen," which was held the 16th and 17th of March, worked industriously to make the play a success. The choruses practiced after school, while the principal characters practiced every evening at 7:00.

The play was produced by the John B. Rogers Producing Company, and it was under the direction of Paul T. Haagen, Jr., who patiently worked with the cast. His work was greatly appreciated by all who participated in this musical comedy.

A list of the main characters is as follows:

Lem Underduck, Flynnville's Police Force,
Donald Luck

Teckley Bramble, Best Checker Player in Town,
George Davidson

Arabella Wilkins, Village Postmistress...Joyce Wertz

Jimmy Stanton, Rich in Love, but Poor in Toil,
James Abbott

Flossie Neverset, Who Flirts and Dances,
Kathryn Page

Michael Flynn, Flynnville's Wealthiest Resident,
Richard Keiser

Kathleen, Michael's Niece and Ward,
Mary Ann O'Meara

Hans Swindler, Proprietor of The General Store,
Philip Sitkins

Ned Rollingston, a College Boy.....Richard Rodgers

Higgins, the Butler.....Max Meredith

The choruses' were made up of the remaining seniors.

ATHLETICS

THE VALUE OF SPORTS

Our boys who are fighting on the far flung battlefronts of the world are thankful for the training that they received in our local high schools. It helped them prepare for this world wide conflict. We truly have been fortunate in our physical training program.

Our earliest training in school teaches us the true value of sports either as an active participant or an onlooker. It gives us stamina, both mental and physical, and we place a true value on physical and mental well-being.

Sportsmanship in the United States is placed at a higher value than worldly goods. A "green boy" in his Freshman year, by his exercising, coaching, and training, is built into athletic material. By the same token we take an army of "green soldiers" and build the greatest army the world has ever known. It is only by training our boys for sports in high school that we have the army material when we need it so badly.

While our boys are fighting all over the globe, we in Lewistown High School have the same fighting spirit in all of our sport meets.

James O. Wian

FOOTBALL

The record for the football team was not as we had anticipated, but we gained experience and prepared for next year's season by using many underclassmen. Despite a slow start, the Panther Eleven steadily improved to end the season with a commendable record. The coaches deserve a lot of credit for their long hours of coaching and drilling which appeared in vain for awhile. Then, starting with the Altoona game, the Panthers began to show improvement and won the last three games.

Lost to next year's team by graduation will be "Jim" Charles, "Booker" Beckwith, "Milky" Goss, "Swoon" Abbott, "Baldy" Afig, "Jamo" Wian, "Buzz" Harpster, and "Carl" Vogt. These boys really played football for old L. H. S. and all of them will be missed next year.

BASKETBALL

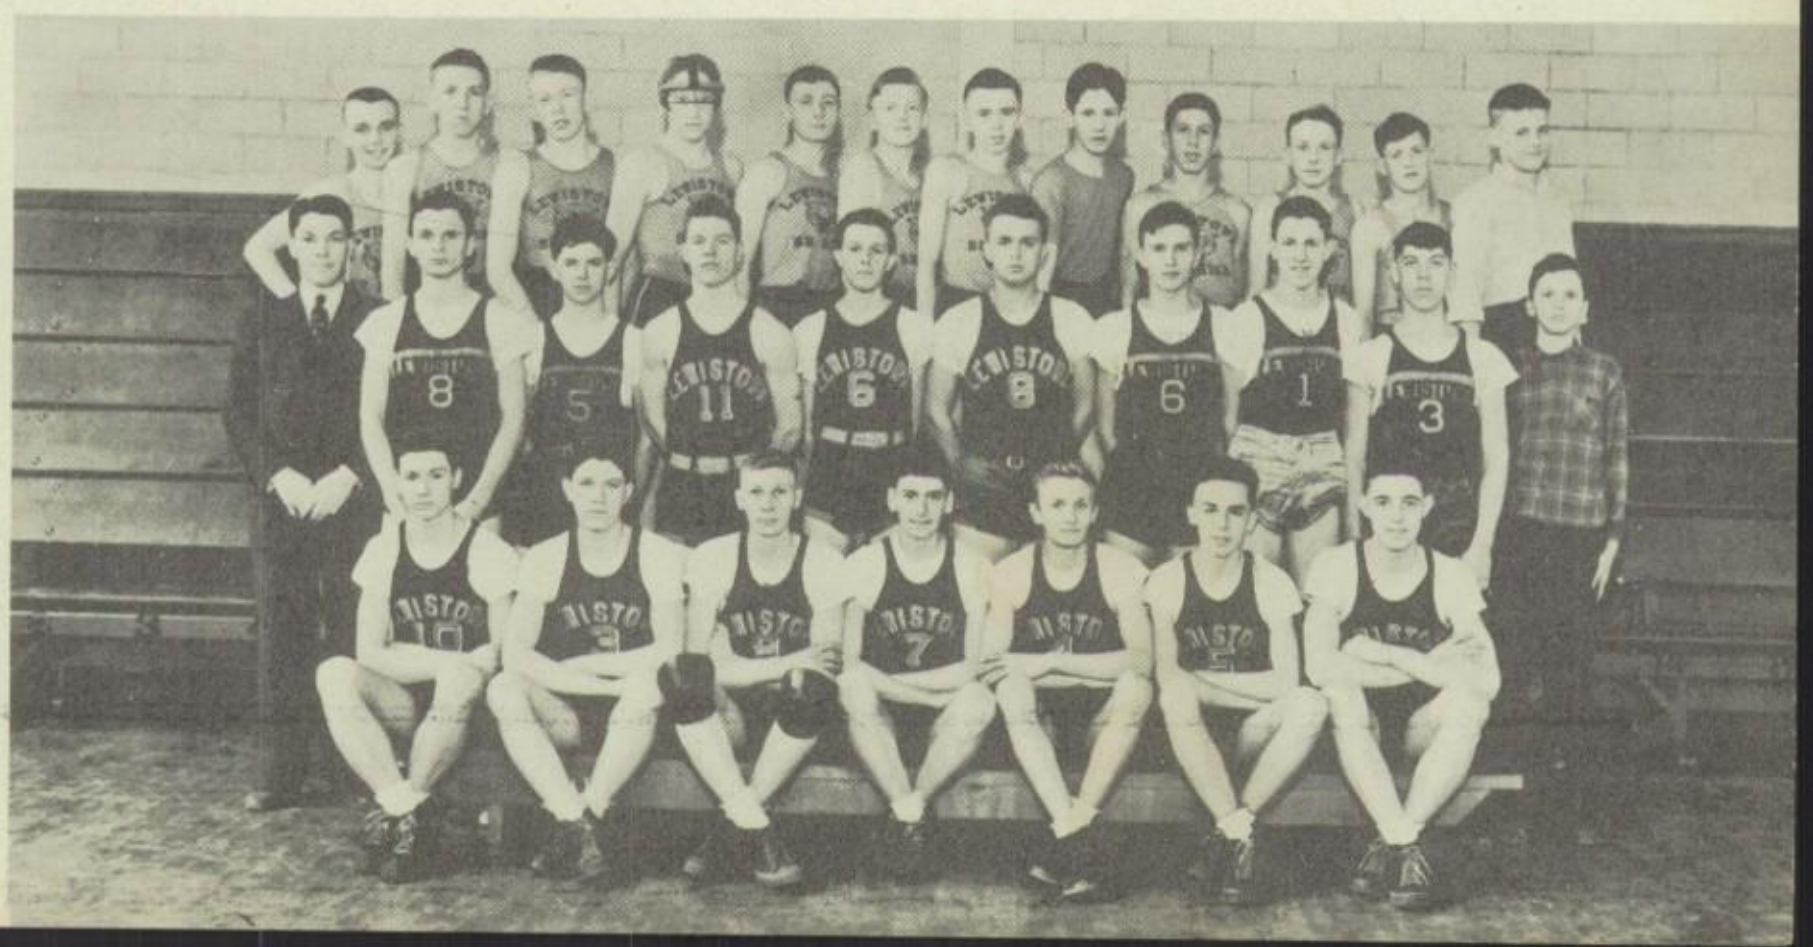
PANTHER CHAMPS

Lewistown High School won the first half of the Mountain League by beating Huntingdon in the second playoff game, 39-27. The second half got under way with the Panthers winning their first two games of the League. The Panthers anticipate bringing the eighth championship to L. H. S.

The basketball team has established a very successful record so far this season by winning eleven games and losing six games.

The team will miss six seniors next season. They are James Abbott, who we expect to be second or third in the Mountain League scoring; Jack Howell, the Panther that held Ulsh to 5 points in one game; Louis Ughetto, that small but mighty substitute; Herbert Troupe, the player with wavy hair; Charles Beckwith, whose "build" is envied by all the girls; Wilson Harpster, the boy who is always "bouncing" all over the floor. These boys were aided in their success by Graham, Shenk, Wertz, Goodwin, Vaughn, Traxler, and Bratton.

To Mr. Wike, the faithful coach of the L. H. S. Basketball team, the players and the school extend a vote of thanks.



Front Row—Gardner, Burkert, Ughetto, Howell (Captain), Wagner, Baird, Copeland. *Second Row*—Mr. L. E. Baird, Brown, Stamey, Schiling, Baird, Shenk, Snook, Mr. R. Wike. *Third Row*—Lewis, Dressler, Maurey, Stuckenrath Wheeler. *Back Row*—Brugler, Van Natta, Hassinger, Boova.

SOCCER

This year our Soccer team completed the most successful season in its history. The "booters" not only were undefeated in eight games, won five, and tied three, but also brought the Tri-County League championship to L. H. S. for the first time.

During the entire season our team scored 13 goals and built a strong defense which held our oponents to a mere 3 the entire year.

Much of the credit for the highly successful season must go to our new soccer coach, Mr. L. E. Baird, who, by his faithful efforts, developed the team into a championship combination.

Lost to next year's team by graduation will be George Baird, Louis Ughetto, Bruce Wagner, Wallace Burkert, and Jack Howell. These boys gave all they had to make our soccer team a power in the Tri-County League and will be missed next season.

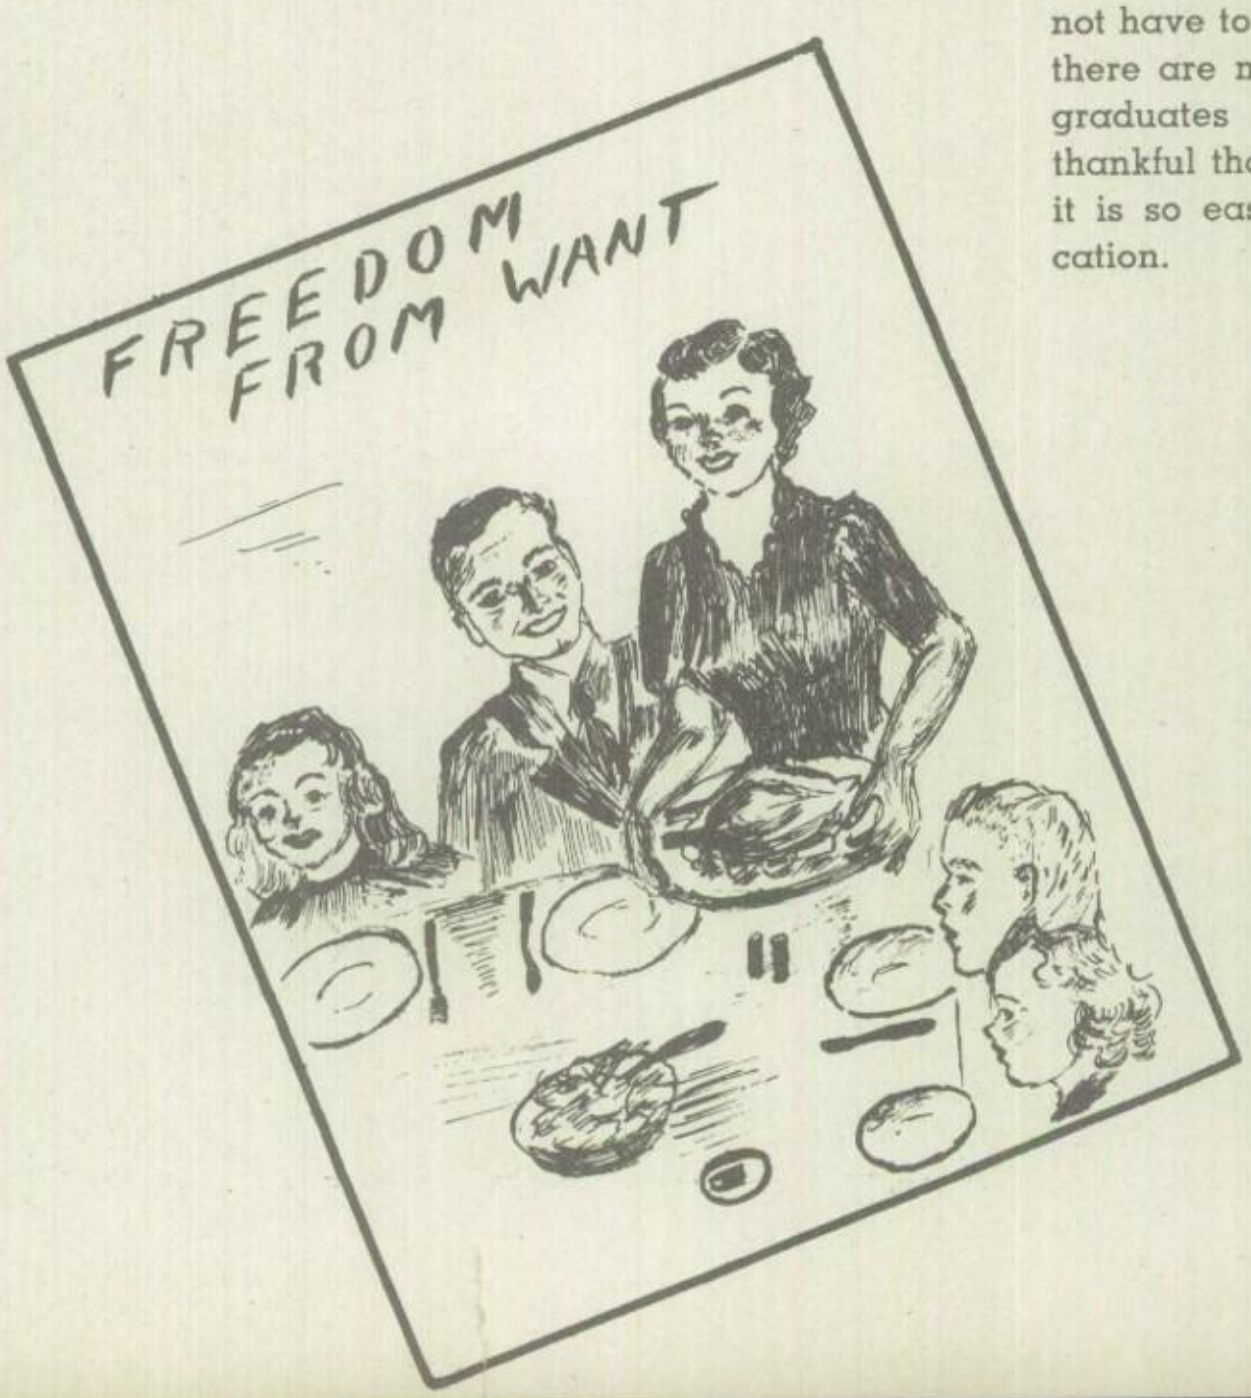
THE FOUR

Today Americans, including more than six hundred graduates of Lewistown High School, are fighting all over the world to preserve the Four Freedoms: Freedom of Speech, Freedom of Religion, Freedom from Want, and Freedom from Fear. The students of L. H. S., as well as every other true American on the home front, are doing their part to further these Freedoms.

The students of L. H. S. and the people of America are helping to finance the war by buying all the war bonds and stamps that they can. This makes it possible for our boys to go into battle free from the want of proper equipment. If our men in service have the equipment that they need to win battles, they go into battle unafraid. This is only one instance that indicates the desire of the people to safeguard the Four Freedoms.

When we leave old L. H. S., we are ready to begin our careers unafraid and confident. We have received an education, and we do not have to worry about our futures because there are many oportunities for high school graduates at all times. We are indeed thankful that we live in a democracy where it is so easy to secure a high school education.



FREEDOMS

In America we are entitled to Freedom of Speech, likewise in high school we have this same privilege. We can express our opinions by editorials in the Maroon and Steel, our high school newspaper. Through the Student Council we govern ourselves in school. The members of the Council are elected by the students, and they act according to the wishes of the students. We are also free to express our ideas in the classroom during discussions. The students of L. H. S. are encouraged to make use of this freedom.

One of the most cherished of all the freedoms is the Freedom of Religion. Here again the pupils of L. H. S. are urged to enjoy religious freedom. The Tri-Hi-Y's and Hi-Y's, which are high school clubs organized on a religious basis, welcome members of all creeds. In L. H. S. there are no restrictions pertaining to religion.

At the present time, we are engaged in the greatest of all wars. Regardless of the cost, we are going to win this war to preserve the Four Freedoms and everything else for which America stands.

A Distinctive Yearbook . . .

is the product of the efforts of a capable editor plus the interested cooperation of a seasoned specialist. To an editor, who wishes to make a success of his first publishing venture, specialization offers innumerable advantages that are most helpful—in fact—indispensable.

It is advisable to have a specialist handle your yearbook. Investigate the services of "Campus," an organization whose entire business is college and school publications.
